**Re: Appointment of Receiver Over Synrgo, Inc.  
UMB Bank, N.A. v. Synrgo, Inc.  
(Orange County Superior Court, Case No. 30-2021-01201461-CU-BC-CJC)**

To Whom it May Concern:

Please be advised that Douglas P. Wilson was appointed as Receiver (the "Receiver") on June 9, 2021 by the Superior Court of the State of California (the "Court") over all operations and assets of Synrgo, Inc. ("Synrgo"), A copy of the Order Appointing the Receiver can be found attached to this letter, You have been identified as a potentially interested party in this matter and this letter will provide you additional information to stay informed.

Synrgo previously provided document recording services on behalf of various customers and clients. However, in mid-May 2021, Synrgo abruptly and unexpectedly ceased all operations. Following its collapse, the Court appointed the Receiver to take over all operations and assets of the company, It was quickly determined Synrgo's operations could not be restarted and, instead, Synrgo's affairs would need to be wound down and its assets liquidated in an orderly fashion.

The Receiver has adapted Synrgo's website, [www.Synrgo.com](http://www.Synrgo.com), to be used as a platform for disseminating important information relevant to the receivership and its progress, Ongoing court filings as well as periodic updates will continually be posted to this website during the Receiver's administration, If you would like to be informed when a new update is posted, please visit the website where you will find instructions on how to sign up to receive email notifications.

If you are a past customer of Synrgo or its affiliated entities, which may include SPL Express, Document Processing Solutions and Recordmydocs.com, you will also find instructions on how to request information pertaining to the status of whether recent instrument recordings were successful, the date of these recordings, counties where instruments were recorded, and whether recording fees were paid. All data requests must relate to orders placed between March 19, 2021 and May 18, 2021.

Over the next several months, the Receiver intends to orderly liquidate the assets of Synrgo for the benefit of the creditors. Updates will continually be posted to the website, and those who have signed up will receive an email notifying and will be the best source for ongoing information.

Sincerely,

DOUGLAS WILSON COMPANIES
